

ESF Webinar

It's your skin, take care of it !

March 9, 2023 10:00 - 12:00 AM (Brussels Time)

Occupational skin diseases, such as dermatitis, eczema, allergic reactions, etc., can be caused by various factors. In this webinar, we will look at these occupational diseases and their causes. You will also be given practical examples of how to manage the skin care of your employees in your company and organisation.

- 10:00** Opening and introduction by ESF
- 10:15** Occupational Skin Diseases: Causes and Consequences
Prof. Dr. Thomas Rustemeyer - Dermato-Allergology and Occupational Dermatology, Amsterdam University Medical Centers, The Netherlands
- 10:45** Skin Care Management in Practice
Nick Foort - Industrial Skincare Specialist - Arco Limited, United Kingdom
- 11:15** Q&A
- 11:55** Closing remarks

Participation is free of charge, but registration is needed. Please send an e-mail to workshop@eu-esf.org with your name, company/organisation, function, country and e-mail address.

The link to join the webinar will be send to registered persons a couple of days before the webinar.
